The vision still has its time. (Habakkuk 2:3)

Today's first reading relays a frank conversation between the prophet Habakkuk and the Lord. Habakkuk is worried that God isn't answering his prayers about the darkness he sees all around him. With an unjust king in Jerusalem oppressing the poor and Babylon posing an ever-growing threat of invasion, it seems that "misery" and "destruction and violence" are all he can see (Habakkuk 1:3). And so he asks the Lord, "How long, O Lord? I cry for help but you do not listen" (1:2). *This isn't how it's supposed to be! You're supposed to be a good and loving God who protects his people!*

In reply, God counsels patience. He has a vision for how things will be, and that vision is slowly taking shape. Until then, he says, "The just one, because of his faith, shall live" (Habakkuk 2:4). *Trust in me. All will be revealed in time.*

Are you worried about the darkness in the world or your family or perhaps in your own heart? Do you find your attention fixed mostly on the problems around you, the tragedies of war, wounded families, and disregard for the poor?

That's not the full picture! God sees all the turmoil, but he also has a vision for the day when his light will triumph. And that vision is unfolding even now as believers bring his healing mercy to a suffering world. Every act of faith, justice, and love brings God's vision one step closer to completion—and he rejoices to see it!

God also sees *you*. He sees every way that your faith (even if it seems as small as a "mustard seed"—Luke 17:6) is growing and deepening. He sees your efforts to share his good news and to witness to his salvation.

So let God's vision for this world fill you with hope! Remember that it "still has its time," but it will certainly come (Habakkuk 2:3).

"Lord, help me to see this world through your eyes!"
