What is EDGE?

EDGE is a Catholic Youth program for students in Grades 5, 6, 7 & 8, designed knowing that elementary school youth are very much on the edge because so much is going on in their lives physically, mentally, emotionally and socially. It can be a very stressful and difficult time for both them and their parents. As a Catholic community, we desire to give these students the "EDGE" they need in life - Jesus Christ!

EDGE provides a safe, fun place for youth to find solid friendships, exert energy, get answers to their questions about faith, and most importantly, to experience Jesus in a profound and personal way. EDGE presents Catholic teachings in a way that young people can understand and develop in their spiritual lives.

EDGE Theme – Scripture

Today, more than any other time in the Church, it is imperative that we pass on the truths of the faith, especially to the youth, and renew their commitment to the mission of being disciples and what that means and how it can be done. This year, we will learn what the biblical characters in the bible can teach our youth today.

EDGE is FUN

Each regular EDGE Night features a game or opening activity, a talk, group discussion, and a spiritual component that revolves around our EDGE theme for the year.

Throughout the year, we also have family EDGE nights, off-site field trips and adventures, parish-wide events, and EDGE Nights where fun is our number one priority.

We invite YOU to EDGE where together we can explore our faith, build friendships, and grow in our understanding of who we are and why we are here.
